**Level 3 Advancing Towards Refinement 9AM- 1PM:.** In this course, you will refine your online skills to help prepare you and your horse for refinement on the ground and then translate this into the saddle. On the ground, we will develop the ingredients needed to prepare for finesse as well as for flying lead changes online that will lead to changes under saddle - focusing on positive yet snappy responses and motivation! Liberty- beginning to play in larger spaces - focusing on draw, stick to me, circle game and squeeze over obstacles. We will be reviewing the level 3 freestyle patterns. We will also play with the steady rein, rider position- and prepare for the Game of Contact!

**Level 1/Beginning Level 2 2PM - 6PM:** This class will cover the online skills in levels 1 and 2 including the 7 game and beginning to give them purpose, transitions and change of direction on the circle, sideways with and without a fence as well as the figure of 8 at a trot. Under saddle, we will look at level 2 patterns to help your horse balance their whoa and go, and the seven games under saddle. We will also practice Parelli patterns.
