

Parelli * Preparation * Prevention

Reality Based Training for Horses and Horse Lovers

An informative and interactive clinic for Parelli students and their partners - Auditors welcome
Highly recommended and appropriate for all Parelli Students – Beginner to Advanced!

Can you picture yourself and your equine partner in these situations?

If not, you should! If it can happen, it will...Be prepared!

Learn how to respond instead of react to emergency situations, how to prepare your horse for lifesaving rescue efforts, and how to prevent potentially life threatening incidents.
